Project Coordinator

Julius Muhwezi is a Statistician by profession, holding a Bachelors degree of science in statistics, from Kyambogo University. He holds a Certificate of Completion, Data Science Module 4 – Inference and Modeling from the HavardX online program, attained in 2019. He is currently the Data officer, at the Makerere University Rotary Peace Center, the only peace center on the African continent. He has worked with different organizations as a research assistant and a data assistant. These include; the Lutheran World federation(LWF) in 2021, the GIZ in 2019, Makerere University Research and Innovations Fund in 2020, Development Associates Link International (DALI) in 2021. Julius is a member of the Uganda Statistical Society(USS), and has participated in different statistical trainings organized by the USS. With this statistical background, he has gained extensive quantitative and quantitative research skills, and established practical experience in collection and assembling of data, development of research questionnaires, management of statistical calculations, investigation of statistical deviations, report writing and presentation of findings. Julius is also currently the statistics assistant on the ongoing project that is looking at the barriers to Uganda Police Women's participation in UN peacekeeping missions.
